THE LION OF CHOCORUA

Here placed to guard the eternal hills am I,
The woods, the lake, now placid, now in rage,
The nations rise and play their roles and die,
And passing ages greet the coming age;
But on the summit of my chosen hill,
Calm and majestic in my sleep I rest;
No note I seem to take of good or ill,
But through my form stretched out o'er rocky
crest,

I feel the impulse of the coming spring,
Each summer's warmth, each autumn's changing
hue,

Each winter's icy breath — all to me sing
The song of what is loveliest and most true.
And when at night I rise and shake my mane,
The winds responsive rise, waves lash the shore;
I raise my voice, and answering again
I hear the echoes of the thunder roar;
And when again I stretch my awful form
Along the mountain crest in peaceful sleep,
The waves are still; fast flies the furious storm;
All Nature rests in slumber calm and deep.

TENTATIVE TOWN WARRANT

To the Inhabitants of the Town of Tamworth in the County of Carroll in said State, qualified to vote in Town Affairs

You are hereby notified to meet at Town House in said Tamworth on Tuesday, the Twelfth day of March next, at ten o'clock in the forenoon, to act upon the following subjects:

1. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations for the same. \$6500. is approved by the finance committee.

2. To see what sum of money the town will vote to raise and appropriate for repairing highways and plowing snow for the ensuing year. \$6200. approved by your committee.

3. To see what sum of money the town will vote to raise and appropriate for sanding roads. \$800. is approved.

4. To see what sum of money the town will vote to raise and appropriate for repairing and building bridges. \$1000. approved.

5. To see what sum of money the town will vote to raise and appropriate for Memorial Day observance. \$100. approved.

6. To see what sum of money the town will vote to raise and appropriate in addition to the amount required by law for the support of the Town Library. The sum recommended to be raised as a whole is \$300. Approved.

7. To see if the town will vote to authorize the selectmen to borrow money in anticipation of taxes.

8. To see if the town will vote to raise and appropriate the sum of \$1200. for repair of road equipment, road maintenance and general highway. Approved.

9. To see if the town will vote to raise and appropriate the sum of \$1000. for the support of the Tamworth Community Nurse. Approved.

10. To see if the town will vote to authorize the selectmen to distribute the inventory blanks at the time they examine and apprise taxable property.

11. To see what sum of money the town will vote to raise and appropriate for Tarvia. \$900. approved.

12. To see if the town will vote to hire a Town maintenance man and appropriate money for same. To keep Town road equipment repaired, town buildings painted and any other work which might be assigned to him by the Selectmen.

13. To see what sum of money the town will vote to raise and appropriate for upkeep and maintenance of the Tamworth Fire Precinct. \$500. approved.

14. To see what sum of money the town will vote to raise and appropriate for upkeep of the Wonalancet Fire Precinct. \$100. approved.

15. To see if the town will vote to raise and appropriate the sum of \$166.00 to the Lakes Region association which is 1/100 of 1% of the assessed valuation. For the purpose of publicizing and promoting the natural advantages and resources of the town, together with other towns in the Lakes

Region. Approved.

16. To see if the town will appropriate the sum of \$5000.00 out of the fund set up for post war work, to build a Memorial Hall in honor of the veterans of Tamworth, provided, an equal amount can be raised by private subscription, and to authorize the selectmen to appoint a committee from the different civic organizations to plan the building with an architect.

17. To see if the town will vote to raise and appropriate the sum of \$300.00 to be divided equally among the three road agents for cutting bushes on the road side. Approved.

18. To see if the town will vote to raise and appropriate the sum of \$25.00 for the upkeep and care of shrubs and plants around the Town Buildings. Approved.

19. To see if the town will vote to authorize the selectmen to administer or dispose of any real-estate acquired by the town through tax collector's deeds.

20. To see what sum of money the town will vote to raise and appropriate for Laconia Hospital, North Conway Hospital, and Huggins Hospital. The sum recommended by your committee is \$100. to Laconia Hospital and \$25. each to the other two. Approved.

21. To see if the town will vote to raise and appropriate the sum of \$145.00 for firemen's insurance, in compliance with the Public Laws of the State of New Hampshire, Section 4, chapter 146, Paragraph 16. Approved.

22. To see if the town will vote to support United States membership in a general system of international

cooperation, such as that proposed at the Dunbarton Oaks Conference, having police power to maintain the peace of the world.

23. To choose all necessary Town officers for the year ensuing.

24. To see if the Town will appropriate the sum of \$750, said sum to be used for the purchase of a high pressure fog pump and all necessary equipment. Pump to be installed on present new Ford fire engine. Purpose is to provide prompt use in areas now having little water with as little water damage as possible. Any excess of cost over appropriation to come out of town's regular appropriation of \$500 for the fire department.

25. To see if the town will vote to raise and appropriate \$200. for White Pine Blister Rust Control, to be spent in cooperation with the State Forestry and Recreation Department. Not acted upon by Finance Committee.

26. Chapter 188 of the Laws of 1945 provides that if a town has not completed the construction of the Secondary System as laid out by Chapter 188, Laws of 1945, the town shall receive no other aid until it has been completed. Therefore, if the Town desires any aid from the State during 1946 it must be expended on the Wonolancet Road and the State will contribute \$2367.00 provided the town raises \$2367.00. Not acted on by Finance Committee.

27. To see if the town will vote to keep the polls open until six of the clock in the afternoon.

28. To transact any other business that may come legally before said meeting.

Given under our hands and seal, this 1st day of February, in the year of our Lord nineteen hundred and forty-six.

INTERESTING FACTS ABOUT YOUR TOWN 100 YEARS AGO

The date of settlement of Tamworth is clouded in misty traditions. Many maintain that a settlement was made by Cornelius Cambell and his family on the shores of Chocorua Lake around 1750. However, no records bear out this belief.

The first settlement was made by Mark Jewell in 1772 on Stevenson Hill. He was followed by his brother, Bradley Jewell, who built the first two story house in Tamworth, the chimney of which required 14,000 brick for which he paid \$14,000. in Continental money.

The following people were in town during 1772: the two Jewell brothers, Richard Jackman, William Eastman, Jonathan Chote, David and Jonathan Philbrick. Stephen Mason came from Moultonboro in 1773. By this time several families were located, among them Sylvanus Hall and Hezekiah Hackett. The town began to fill up rapidly from 1773 on, and by 1775 there were 150 inhabitants.

The Township was granted Oct. 14, 1766 to Lieutenant John Webster and others, in sixty-eight equal shares.

The first Board of Selectmen was elected July 2, 1777. In 1780 it was voted that all ox sleds used in town should be 4½ feet wide for the benefit of having good wide paths in winter.

About 1780 nails, screw augurs, and ship anchors were made at Tamworth Iron Works (now Chocorua), the ore being brought from Ossipee Lake. The first nails ever made by machinery in the world were made in Tamworth by David Folsom. The first screw augurs ever made in America were made in Tamworth by Henry Weed.

Joseph Gilman made Shingle and Clapboard machines from 1830 to 1845. These were shipped to all parts of the country and gave great satisfaction. So much for the settlement of Tamworth. Its settlers were strong men, hardy and brave, and their women folks were proud of them.

In 1792 a special town meeting was held to obtain preaching. Rev. Samuel Hidden was secured and the Congregational Church was organized. Rev. Hidden was ordained as Minister of the Town of Tamworth on the famous Ordination Rock Sept. 12, 1792. He was not only a preacher but he had the entire care of the schools. He prepared several for college, and many for the study of law and medicine. Mr. Hidden not only taught Latin and Greek and other branches of more modern natures, but was a teacher of vocal music. He was called the educator of the people. He served the town until his death 45 years later, and his influence did not end with his death, but his high example continues to exercise a potent influence over the minds, views and habits of the people in the town he served and loved so well.

The population of the town in the year 1845 was 1700. There were 20 school districts and the sum of \$424.38 was raised and appropriated for the same: in 1945 we raised the sum of \$19,716.24.

In the year 1845 the total real estate valuation was \$125975.00 Tax rate \$18.22 a thousand. The 1945 Real Estate Valuation was \$1443360.00.

Total town warrant for			
all purposes	1452 02		

An interesting comparison of wages with our present day scale:

Carpenters received	\$ 50 per day
For Haying	1 00 per day
All other kinds of farm work	75 per day
The best of steak was 3 cents a pound and a gallon of rum was \$.60.	

In 1845 there were 17 mills in town, consisting of saw mills, rake mills, shingle & clapboard mills, peg mills, spool mills, carding mills, flour & grist mills. All were water power mills. Total valuation of \$5,365.00. Today we have two portable saw mills valued at \$3,450.00.

FINANCE COMMITTEE REPORT

The Finance Committee has examined the Town Books and have found them in the usual good condition. A substantial balance with no outstanding indebtedness gives the Town a very sound financial picture. That this has been achieved in the face of the great cost of winter highways through the last fiscal year seems quite remarkable.

Though the Town must meet a loss of valuation in 1946, the tax rate should not advance any appreciable amount if appropriations are kept within the sums submitted to our committee.

There are two articles in the warrant that were discussed at some length and approved by those present. Article 12, for the Town to employ a man full time to care for Town Property. We believe in employing such a man would result in longer life and better service from machinery, improved appearance of Town buildings, and we believe the salary would be saved from money now spent on various small appropriations and the increased efficiency that such a man could give.

After every war there arises the question of a memorial for the men who have served their country. Article 16 is an attempt to meet this question. It is suggested that a community hall be built containing the following features: a basement to house the fire department, a ground floor for kitchen, dining hall and assembly room for the several civic groups, a second floor for dancing and other amusements. This

building would be a practical and at the same time a distinctive memorial.

SECRETARY'S REPORT, TAMWORTH COMMUNITY NURSE ASSOCIATION, INC.

The work of the Tamworth Community Nurse Association, Inc., has been carried on this year by our very efficient nurse, Margaret Philbrick, R. N. In constant cooperation with local doctors, the School Committee, State Agents and every other welfare agency, our nurse carries on a steadily increasing work, the extent of which can be seen in the following tabular record. She is paid, as all know, by an appropriation from the Town, supplemented by a fund from among our summer residents to whose interest and generosity we owe the beginning and much of the maintenance of this valuable nursing service.

The nurse's work is reported to and supervised by the undersigned Committee who are again holding monthly meetings.

TAMWORTH FIRE PRECINCT

Jan. 1, 1945 — Dec. 31, 1945

There were 22 fires in Tamworth during 1945, also 2 out-of-town calls. Tamworth fires follow:

- 7 chimney fires — no damage
- 4 fires in cars and gasoline vehicles —
damage estimated at \$1225
- 2 brush and rubbish fires — no damage
- 9 fires in dwellings, etc. — damage estimated
at \$260.

The out-of-town call to Albany caused damage estimated at \$250. The condition of all 2½ inch hose is generally poor. All 1½ inch hose appears in good condition. As soon as good hose can be purchased, it is recommended that all hose be tested and that all unsatisfactory hose be replaced.

Chimneys, heating appliances, and lightning were responsible for 16 of the fires during the past year.

PREVENT FOREST FIRES — IT PAYS

An average of 7,300 acres of woodland are burned over by forest fires in New Hampshire each year destroying many thousand dollars worth of property of all description. It costs many additional thousands of dollars and requires valuable man hours, taken from other essential work, to extinguish them. These losses affect the personal fortunes of the owners and town and state economies. Everyone loses because of them.

Analysis of fire causes reveal the fact that more than 98 percent of all forest fires are, consistently, the result of human carelessness and are preventable!

We have been extremely fortunate during the past few years. Favorable fire weather and war time restrictions on travel which kept people off the highways and out of the woods have aided materially in reducing fire risks, keeping fires fewer and fire losses low.

We now face changed conditions. People can travel freely. Their love for travel and the freedom of the woods will bring them out in ever increasing numbers. This will step up fire risks materially. The accelerated cutting of the war years has resulted in additional thousands of slash acres. These factors, combined with a possible dry season and human carelessness could easily produce a catastrophe. Everyone must, consequently, be on their guard. They should

1. Be careful with fire or when smoking in or near woodlands.
2. Cooperate with the local forest fire warden and his deputies by
 - a. Abiding cheerfully with whatever restrictions it may be necessary to impose. They are intended only to be helpful.
 - b. Securing permits to burn debris when the

ground is not covered with snow.

c. Seeing that others comply with requirements.

d. Promptly coming to the warden's assistance when needed.

If these few fundamental practices are followed it will be possible to PREVENT a large proportion of FOREST FIRES from starting — that PAYS !

LIBRARIAN'S REPORT

I would like to express our appreciation of the gift of a year's subscription to the Book-of-the-Month Club by the Tamworth Foundation; also to Mrs. Seward Collins who has been giving the Library two new books a week since the first of last summer and plans to continue indefinitely.

We also received a box of books from Prof. Alfred Tozzer of Cambridge and Tamworth.

REPORT OF SUPERINTENDENT OF SCHOOLS

Conway, New Hampshire

February 1, 1946

To the School Board and Citizens of Tamworth:

Repairs which were accomplished last summer included cleaning, painting, and general minor repairs, except in one instance, that of Chocorua. The new lighting system has greatly improved educational opportunities in that school.

I believe that the lighting facilities in the high school should be similarly brought up to date.

The teacher problem was extremely critical last summer and a teacher for Whittier was secured only on the Friday before schools opened.

Teachers this year include:

Tamworth

Ralph Linton, Headmaster

Olympia Sagris, Assistant

Edwin Blackey, Grades 5-8

Mrs. Ethel Sutherland, Grades 1-4

Bemis

Mrs. Hazel Whiting, Grades 5-8

Mrs. Elva Bickford, Grades 1-4

Whittier

Mrs. Lois Boothby

Downs

Miss Roberta Giddings

Chocorua

Mrs. Ethel Ramsdel.

Although the supply of high school teachers has increased, the number of elementary teachers is still too few to fill all positions.

The problem of attendance at South Tamworth and at the High School has been very serious this year. This has made it difficult for those boys and girls who have been irregular in attendance to do satisfactory work. Attendance is a matter primarily controlled by the home.

The cost of high school education at Tamworth has risen to the point whereby Tamworth is paying over \$170. a year for instruction per pupil. However, the cost of elementary pupils is still reasonably low.

Respectfully submitted,
HAMMOND YOUNG
